If through Force Majeure any of the qualifying round dates are altered or event cancelled, the Association reserves the right to accept date changes, cancel that particular round as a qualifying one, substitute the event or alter the number of events to count. No additional events will be added to the Championship. All Registered contenders will be notified in advance of changes.
3. All Drivers and Co-drivers must be fully paid up, valid membership card holding members of an ANEMMC registered club and have registered for the championship. Registration must have been made and accepted before any event for which points can be scored.
4. The Championship will consist of:

  - d. Ladies Championship (also included in above a,b,c)
5. Points will be awarded in the Championship on the basis of Overall results irrespective of Class entered for the particular event.

A Novice is defined as a competitor who has not won a National B Road Rally or has not scored 25 points or more on an individual ANEMMC Road Rally Championship Round on more than 5 occasions. This excludes the 30 Point score for marshaling.
7. To be eligible for the Under 21yrs Class, the date of birth is taken as at the date of Registration and the Contender remains within that class for the remainder of the Championship year.
8. The Under 21yrs and the Ladies Class will run in tandem with the Overall Championship and scoring system i.e. whatever points scored for Overall Championship, same points are allocated towards Under 21yrs and Ladies Class.

  - g. 1<sup>st</sup> Under 21yrs Driver/Navigator
  - h. 1<sup>st</sup> Lady Driver/Navigator
  
13. In the event of a tie the following will be used to determine a clear result:
  - a. Greatest number of maximum 30 scores
  - b. Then greatest number of 29 point scores
  - c. Then greatest number of 28 points scores etc. until the tie is resolved.
  
14. Only one award may be won by an individual other than the Under 21yrs or Ladies Award/s.
  
15. It is the competitor's responsibility to obtain event regulations.
  
16. Acceptance of all entries will be at each organisers discretion and ANEMMC cannot be held responsible for any refusal of entries.
  
17. Entrants must indicate they are ANEMMC Road Rally Contenders and add their Association registration number on their event entry forms.
  
18. Registration cards may be required at signing-on at the discretion of each individual event organisers.
  
19. It is not necessary for Drivers and Co-drivers to be in the same crew for all events, during the year, the scoring system is calculated on an individual basis for each event.
  
20. In order to score points the Registered Contenders must sign-on upon the official ANEMMC Road Rally Championship sheet at the start. Clearly state your name, start number, whether Under 21yrs and/or Ladies Class and personal ANEMMC Championship Number.
  
21. Registered contenders will be supplied with Championship decals, which must be displayed on the competing car at all events.
  
22. Competitors who marshal or officiate on any one ANEMMC Road Rally Championship event will be eligible for a once only score of 30 points (same as the maximum score). This marshaling requirement is not mandatory but is in place to encourage help in running the events. It is the responsibility of the competitor to provide evidence of marshaling/officiating (check with coordinator for more details). Competitors registered separately for Drivers and Navigators Championships may claim on 2 separate occasions.
