ASSOCIATION OF NORTH EAST MIDLAND MOTOR CLUBS

DICK NEWSUM AWARD OF MERIT

The Dick Newsum Award of Merit can be awarded once a year by the Association of North East Midland Motor Clubs to any individual, club or body who in the opinion of the judging panel have performed meritorious service to or on behalf of the Association.

Meritorious service can encompass distinguished service or a significant contribution to the work of the Association, outstanding achievement in motor sport within the North East Midlands to the benefit of the Association, or, any act which the panel may consider has advanced the standing and reputation of the Association or motor sport in general.

The judging panel will consist of the incumbent Chairman of the Association and Dick's son Tony, both of whom are therefore ineligible to receive the award.

Nominations, with brief reasons attached, should be sent to the Chairman . Should there be no nominations of a suitable meritorious nature, the panel reserves the right not to make the award for that year.
