ROUND 5 - THE DRYSTONE RALLY – 17th-18th July 2010

ORGANISING CLUB – Mid Derbyshire MC

This year's Drystone rally started from a spacious show ground with ample parking and facilities. The rally attracted a full entry of 60 cars well before the closing date. 9 ANEMMC drivers and 9 ANEMMC navigators signed on with a few more choosing to marshal. Top ANEMMC seeds were Guy Robinson/Charlie Wheeldon in car 2, Ade Green/Ian Gibbins were seeded 7th. Hugh Garnish/David Bell were top seeded ANEMMC Experts in car 21, Sasha Heriot was navigating in car 22, Dave Broadley/Herman Ruijsenaars were car 29, Andy Stewart/Roger Stoneley were in car 35. Top seeded ANEMMC Semi-Expert was Chris Faulkner driving car 36 with Steve Johnson/Bethan Blythe in car 38, Jon Hill/Michael Pears were in car 40 and Bob Ward/Karl Ellis were in car 41.

ITC2, 4 & 6 saw many crews clean, the reverse alphabet junctions at ITC8 caused a few headaches, Guy Robinson/Charlie Wheeldon were the fastest ANEMMC 13th on 1m31 with Chris Faulkner 17th on 1m46. Apparently the Dutch alphabet's different to the English so Dave Broadley/Herman Ruijsenaars were the slowest dropping 8m18s in the confusion.

ITC12 followed with Guy Robinson/Charlie Wheeldon fastest on 22s, fastest ANEMMC Experts were Hugh Garnish/David Bell 12th on 58s, fastest ANEMMC Semi-Expert was Chris Faulkner 18th on 1m26s.

A number of crews cleaned ITC14, fastest ANEMMC Experts were Hugh Garnish/David Bell 13th on 18s, the fastest ANEMMC Semi-Experts were Jon Hill/Michael Pears 20th on 42s.

Guy Robinson/Charlie Wheeldon were the fastest on ITC18 on 27s, Hugh Garnish/David Bell were the fastest ANEMMC Experts, 10th on 1m14s with Chris Faulkner the fastest Semi-Expert 14th on 1m22s.

At the end of timecard 1 Guy Robinson/Charlie Wheeldon were 2nd fastest dropping only 2m20s. Hugh Garnish/David Bell were 15th on 6m39s Chris Faulkner was 17th on 9m27s.

Guy Robinson/Charlie Wheeldon were 2nd fastest on ITC27 on 25s, fastest ANEMMC Semi-Experts was Chris Faulkner 14th on 1m55s, Hugh Garnish/David Bell were the fastest ANEMMC Experts 19th on 2m30s.

On ITC30 Guy Robinson/Charlie Wheeldon cleaned it, Sasha Heriot was the fastest ANEMMC Expert, 18th on 2m11s and Chris Faulkner was the fastest ANEMMC Semi-Expert, 19th on 2m13s.

Guy Robinson/Charlie Wheeldon were the fastest on timecard 2 dropping just 25s, this was enough to ensure 2nd place overall. Top ANEMMC Experts were Hugh Garnish/David Bell 12th on 12m19s. Chris Faulkner was first Semi-Expert 14th on 13m53s. Dave Broadley/Herman Ruijsenaars were 24th on 29m18s, Steve Johnson/Bethan Blythe were 27th on 34m4s, Bob Ward/Karl Ellis were 32nd on 33m24s, Sasha Heriot was 33rd on 49m14s. Jon Hill/Michael Pears were 37th on 1h28m35s.

Amongst those who didn't finish were Ade Green/Ian Gibbins and Andy Stewart/Roger Stoneley.

This year's Drystone was a lot smoother than it has been in the past, the lack of codeboards in the latter part of the rally caused a few concerns amongst the crews of missed codeboards as we'd been told all controls were manned. Apart from that an excellent rally with some super photos online from M&H Photography.
